

## Your own number stories

See how **interesting** you can make your own number **stories** using the numbers below

Can you use any of these in your number **stories**?

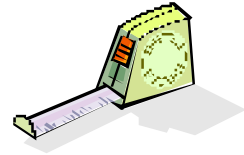

Kg or g

L or ml

Km, m, cm or mm

1.  $10 - 2 = 8$

---

---

---

2.  $15 - 5 = 10$

---

---

---

3.  $27 - 5 = 22$

---

---

---

4.  $12 \div 2 = 6$

---

---

---

## Your own number stories

See how **interesting** you can make your own number **stories** using the numbers below

Can you use any of these in your number **stories**?

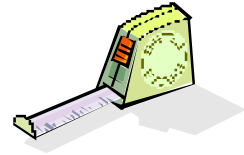

Kg or g

L or ml

Km, m, cm or mm

1.  $230 - 20 = 210$

---

---

---

2.  $360 - 50 = 310$

---

---

---

3.  $250 - 50 = 200$

---

---

---

4.  $25 \div 5 = 5$

---

---

---

## Your own number stories

See how **interesting** you can make your own number **stories** using the numbers below

Can you use any of these in your number **stories**?

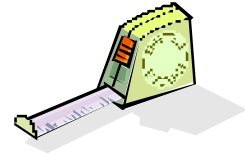

Kg or g

L or ml

Km, m, cm or mm

1.  $365 - 145 = 225$

---

---

---

2.  $1299 - 499 = 800$

---

---

---

3.  $33.7 - 10.6 = 23.1$

---

---

---

4.  $36 \div 9 = 4$

---

---

---
